PLANT A SEED FOR PUMPKINFEST 2017 AND GROW A HEALTHIER COMMUNITY!

Will you help us **GLOW** this year brighter than ever and consider showing your support of the work we do in the community?

On Saturday, October 21st, CB Cares Educational Foundation in partnership with the Bucks County Department of Parks and Recreation will host the 25th annual Pumpkinfest amidst the archways of the Moravian Pottery & Tile Works in historic Doylestown.

The long-standing tradition of Pumpkinfest features the mastery of “Artist vs Prizewinner Pumpkin”. For six hours these premier artists sculpt, carve, and bring to life gigantic prizewinner pumpkins into glowing masterpieces. This event attracts people from all regions to witness the magical transformation that become aglow at dusk. CB Cares EF recognized the importance of maintaining the legacy of Pumpkinfest. In 2015, the organization began recruitment of the next generation of pumpkin carvers by inviting the District’s National Art Honor Society students to participate where they too will showcase their talents in the Youth Gallery and compete for a coveted ribbon, the Newfield Award.

Last year, over 4,000 Kids of all ages attended the celebration of Pumpkinfest.

The month of October is National Substance Abuse Prevention Month and October 23rd - 31st is Red Ribbon Week for school-age children in our community. Both of these national initiatives emphasize the importance of avoiding drug and alcohol use and correlate with Pumpkinfest with good reason given the current climate of the opioid crisis strangling our county and country. Our work as an ATOD (alcohol, tobacco and other drugs) prevention organization is “carved” out for us. The current data shows that CB Cares’ commitment to provide valuable programs and ATOD (alcohol, tobacco and other drugs) prevention resources makes for a vibrant and healthier community. This year’s proceeds from Pumpkinfest will allow us to continue our work to provide our Developmental Assets-based programs for the youth, parents and educators in the community.
